Date	06 July 2026
Team ID	
Project Name	Voice Based Concept Understanding Analyser
Maximum Marks	1 Mark

Team Involvement in Demonstration:

As i did this as a solo project, the complete project demonstration was handled individually. All responsibilities, including project explanation, system workflow demonstration, technical implementation explanation, and final output presentation were managed by the developer. The demonstration covered the complete journey of the application, from user input and processing to result generation and report creation.
